

# AUGUST NEWSLETTER

## 8:00-8:10 and 8:45-8:55

Teachers will be ready to greet you during these drop off windows of time. You must send a message letting us know if you are dropping off outside of this time and we will make our way to the door when we can, as the church office opens at 8:30.

## For Families of Children in our Rising Threes Classes

All children in our Threes Classes must be potty trained. We will support them in being independent in taking care of their toileting needs. Occasional accidents are expected.

**BACK  
TO  
SCHOOL**

## Invitation from the church

The church invites all Preschool families to join us for Rally Day and a Fall Kick-off service and lunch at Braeloch on Sunday, August 27th at 10am. Reach out to Alice with interest.

## We are hiring!

Would you consider sharing our hiring post on your social media? I can send the info your way. We need teachers to start with us this school year.

## Legacy News

The Preschool is grateful to the family of **Boo Miller** for designating our Preschool Endowment/Legacy Fund as one recipient of memorials in her honor.

Boo was a former teacher here at the Preschool. Her colleagues described her as a good soul, always smiling, warm and engaging. She had a loving spirit that never faltered. They appreciated her gentle kindness and sweetness. Boo loved and received so much joy from working with the children.

We are proud to share her memory with our families.
